Chapter 10. Swine Brucellosis

IC 15-2.1-10-1

Certificate of veterinary inspection

Sec. 1. The board may require by rule that swine moved into Indiana or sold through any public or private sale within Indiana shall be accompanied with either an official certificate of veterinary inspection or a board sanction showing that the swine have been tested for diseases and found to be negative according to board regulations prior to the date of sale. Board sanction may be given on a special form as prescribed by the board to be used instead of the official certificate of veterinary inspection.

As added by Acts 1976, P.L.59, SEC.1. Amended by P.L.124-2001, SEC.86.

IC 15-2.1-10-2

Certificate of veterinary inspection; copies

Sec. 2. Copies of the official certificate of veterinary inspection shall be issued and distributed as prescribed by the board.

As added by Acts 1976, P.L.59, SEC.1. Amended by Acts 1977, P.L.166, SEC.22; P.L.124-2001, SEC.87.

IC 15-2.1-10-3

Testing

Sec. 3. Tests for diseases required by the board under this chapter must be conducted by a veterinarian who is licensed or legally able to practice in Indiana and who is accredited by the United States Department of Agriculture. The veterinarian's name must be shown along with the result of the test on whichever form is used. The tests must be conducted either by the Animal Disease Diagnostic Laboratory at Purdue University, by a laboratory designated or established by the board, or, in the case of swine imported from another state, by a state-federally approved laboratory.

As added by Acts 1976, P.L.59, SEC.1. Amended by Acts 1977, P.L.166, SEC.23; P.L.124-2001, SEC.88.
